**TO REPORT HATE CRIMES**

A hate crime is a crime reported to local police or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. We are also required to report statistics for hate crimes by the type of bias as defined at the bottom of page 4 for the following classifications: murder/non-negligent manslaughter, sex offenses (rape, fondling, incest, statutory rape), robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, destruction/damage/vandalism of property, intimidation and simple assault or other crimes involving bodily injury to any person.

**Larceny:** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Attempted larcenies are included. Embezzlement, confidence games, forgery, worthless checks, etc. are excluded.

**Destruction/ Damage/ Vandalism of Property:** To willfully or maliciously destroy, damage, deface, or otherwise injure, real or personal property, without the consent of the owner or person having custody or control of it.

**Intimidation:** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

**Simple Assault:** An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

**Additional Information on Hate Crimes:** If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other crimes involving bodily injury to any person, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A bias-related (hate) crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc... the assault is then also classified as a hate crime.

If a bias-related (hate) crime was reported to you, please fill out the top section of Page 1 and then complete the following information about the type of bias involved in the crime.

**Type of Crime (List classification as defined above on pages 1-4):**

**Type of Bias (circle one):**
- Race

- Ethnicity
- National Origin
